

Haymarket Financial Media Calendar of Events - 2012

- **The inaugural Japan Institutional Investment Forum**
April 24, Tokyo, www.JapanIIF.com
Delivering key insights and enhancing investors' returns: The inaugural Japan Global Investment Forum gathers investors and senior asset managers to discuss the most pressing issues in global investing for Japanese institutions.
- **7th annual Asian Investment Summit**
May 23-24, Hong Kong, www.AsianInvestmentSummit.com
Bringing together Asia's largest and most active institutional investors, and the best Asian and global asset managers, the annual Asian Investment Summit is the marquee investment event for the region. Detailed analysis of the latest emerging trends by the leading minds in financial markets deliver uniquely investable insights.
- **The inaugural Bangladesh Investment Summit**
June, Hong Kong, www.BangladeshInvestSummit.Asia
Long a centre of the world garment trade, Bangladesh is now stepping up the value chain: This Summit examines the opportunities for financial as well as strategic investors in one of South Asia's most promising emerging markets.
- **3rd annual Russia Investment Summit**
July 5-6, Hong Kong, www.RussiaInvestSummit.Asia
Does Russia deserve to be classed an "emerging economy" or not? The annual Russia Investment Summit, part of FinanceAsia's 'Spotlight on Emerging Markets' series, focuses on opportunities for Asian investors, across asset classes, in a market that's part-Europe, part Asia, and all-booming.
- **6th annual Korea Institutional Investment Forum**
July 12, Seoul, www.KoreaIIF.com
Delivering key insights and enhancing investors' returns: The annual Korea Institutional Investment Forum gathers investors and senior asset managers to discuss the most pressing issues in global investing for Korean institutions.
- **3rd annual Australia Institutional Investment Forum**
August 23, Melbourne, www.AustraliaIIF.com
Delivering key insights and enhancing investors' returns: The annual Australia Global Investment Forum gathers investors and senior asset managers to discuss the most pressing issues in global investing for Australian Supers and other institutional investors.
- **The inaugural Hong Kong MPF Employees' Choice Seminar**
September, Hong Kong, www.MPFChoiceHK.com
In summer 2012, Hong Kong's Legislative Council are expected to pass the bill enshrining the right of employees to choose their own MPF scheme. This will add complexity for HR managers, while posing more granular challenges on MPF providers themselves. At this exclusive seminar, produced in conjunction with Hong Kong's Retirement Schemes Association, MPF experts and service providers lay out the scope of the new rules, their impact on the HR function and how to manage the changes.
- **The inaugural Art of Asset Management I**
September 6-7, Hong Kong, www.ArtofAM.Asia
Managing the retirement assets of more than the world's population is a serious responsibility; not to mention insurance assets, the wealth of nations, and corporate cash: In The Art of Asset Management leading experts from across the asset management spectrum convene to discuss the challenges faced by the industry around Asia, and how to wrangle returns from markets that are by turns volatile or trading sideways.
- **5th annual China Institutional Investment Forum**
September 11, Beijing, www.China-IIF.com
Delivering key insights and enhancing investors' returns: The annual China Institutional Investment Forum gathers investors and senior asset managers to discuss the most pressing issues in global investing for Chinese institutions.
- **The inaugural Southeast Asia Debt Investor Forum**
September 20, Singapore, www.SEAsiaDebt.com
Rich in natural resources from coal to palm oil, and with a demographic dividend which has yet to pay off, are the ASEAN group of countries now poised to lend the west some lessons - and to provide investment upside to fixed-income investors?
- **The inaugural Africa Investment Summit**
September 26-27, Hong Kong, www.AfricaInvestSummit.Asia
Examining the trade and investment opportunities for Asia's Sovereign Wealth Funds, Family Offices, Public and Private Pension Funds and other financial investors in Africa's emerging markets, as well as M&A opportunities into the continent, domestic growth across the continent, and raw materials export from the continent - all through the lense of Asia.
- **2nd annual Asian Commodities Investment Summit**
October 18-19, Hong Kong, www.CommoditiesInvestment.Asia
The annual Asian Commodities Investment Summit examines the drivers behind the changing demand for commodities. Presenting strategies for getting ahead of the market, managing your future exposure, and emerging hot sectors.
- **4th annual Southeast Asia Institutional Investment Forum**
December 6-7, Kuala Lumpur, www.SEAIIIF.com
The annual SE Asia Institutional Investment Forum delivers unique insights into investment opportunities in some of Asia's fastest emerging and most rapidly developing markets, helping institutional investors hone their understanding and enhance their returns.
